

## ABOUT

College Affordable is a non profit organization built to help families reduce the cost of college, minimize debt and increase higher education choices.

## HOW WE WORK WITH NEWBURYPORT HIGH SCHOOL FAMILIES

Since 2023, Newburyport High School families have free access to College Affordable resources to help reduce the costs of college. This special program is made possible through sponsorship by The Institution for Savings. Partnering with the Guidance Counselors and the experts from College Affordable, this special program provides high impact tools and support to help families navigate the process and minimize the costs of college.

- Email and text support from financial aid experts for ad-hoc questions
- Access to self-help tools

## AREAS OF SUPPORT

- Budgeting
- Understanding aid eligibility at target colleges
- Financial aid applications
- Appeals for additional aid
- Loan and financing steps and more!

## IMPACT/TESTIMONIALS

- "College Affordable has positively impacted each and every aspect of our family's understanding of the financial piece of college. From your webinars, to your free one hour consultation for our family, to the email support, and capped off with guidance for our student's merit support appeal - which resulted in an additional \$40K of support over the four years - we cannot thank you enough! I just wish every family had this guidance and support." *Parent '24*
- "Knowing that my family had access to this program was a real relief. The college financial aid application process is complex as far as anticipating what focus is needed with each phase, College Affordable really helped us to stay on track all along the way." *Parent '24, '26*
- "Having the knowledge provided in the webinars helped me to be an informed parent when supporting my son through the process. It also allowed me to ask the right questions when I came time to speak to the schools." *Parent '24*
